

# Fruit to Root

Identify my fruit:  
What am I experiencing?

Identify new fruit:  
What am I experiencing?

What am I believing?  
—about God  
—about myself

What is the truth?  
—about God  
—about myself

Examine the roots:  
What faulty beliefs are  
at the root of my fruit?

Examine scripture:  
Replace my faulty  
beliefs with the truth.
